✤ Introduction

- The Samarth admission platform seamlessly integrates technology and education delivery. It is tailored for Higher Education Institutions (HEIs) across the country and allows them to deploy a digital framework for planning, management, delivery, and monitoring of services for students, staff, and other stakeholders. Samarth E-Gov Suite is a catalyst in the transformation of Higher Education institutions transitioning towards a future-ready digital campus.
- * This specific document is curated to assist the applicant in the admission process.

* ADMISSION PROCESS

- > The admission process comprises three distinct steps, which applicants must follow diligently after registering on the portal:
 - Profile Completion: Applicants need to fill out their profile information thoroughly.

- Profile submission and Locking: After completing their profile, applicants must confirm and lock it.
- College Application: Once the profile is confirmed and locked, applicants can proceed to apply to their desired colleges.
- To commence the admission process, applicants must first register and log in to the portal. Registration is a one-time requirement for all applicants, and the process is outlined below:

*** REGISTRATION**

➤ For applicants new to the portal, registration is a prerequisite to kickstart their admission application process. This step is essential as it signals the portal of their intention to apply for university programs.

Home 1	Notice Institutions Programme Information FAQ Contact Us	ww.Registration Login
	Important Instructions	Registration Form
	 Name and other details entered by the applicant need to be the same as in the Class X Board Marksheet Applicant can log in to the admission portal through their registered email address, only. Applicant must use his own active email address. The Email address provided by the applicant must be functional and the applicant must have access to it throughout the admission process. Applicants are encouraged to use latest version of Google Chrome web browser for filling the application form. 	Applicant's Full Name (As per class X/XII Marksheet) * Applicant's Name Applicant's Date of Birth (As per class X/XII Marksheet)* Day Mon! Year Applicant's Email (Please use your own email as this will be used for all official communication) * Applicant's Email Address

***** Steps for Registration:

- Step 1 Navigate to the top right corner of the home page >> Click on "New Registration"
- Step 2 As the user selects "New registration" the following page appears (image attached below) >> The user is required to go through the Important instructions before filling out the application form.
- Step 3 Users are required to fill in their "Name" & "DOB" as per their original X/XII marksheets.

- ➤ Step 4 Users are required to fill in their functional email IDs and create passwords for their registered accounts.
- Step 5 Once the passwords have been successfully generated, users must input their mobile numbers >>fill in the CAPTCHA >> click on "Register".

Step 6 - After filling in all the details the users will receive an OTP on their registered mobile and email address for account verification

Infol : Please enter the "Verific	ation Code" sent to your registration details.	>
	Verify Account	
	Please do not refresh this page. Time remaining to enter the OTP : 14 min 38 sec	
	Enter the OTP you received on your email ar************************************	
	OTP received on Mail or Mobile	

◆ Step 7 - The user then needs to fill in the CAPTCHA >> select "Submit OTP"

✤ APPLICANT DASHBOARD

The applicant dashboard provides a tailored platform for applicants to conveniently monitor their application status, make profile adjustments, and apply to various programs offered by the University. This centralized system simplifies the management of multiple applications within a single interface. Accessing the dashboard requires completion of the registration process followed by logging in to the portal.

Login

- To initiate your application, please log in. This step ensures the security of your information and customizes your experience. If you're new here, do not worry – you'll need to register first. Once logged in, you'll gain access to all the features necessary for a seamless application process.
- > The user needs to fill in their registration number and password to log into their account and view their dashboard.
- If the user forgets their password, click the "Forgot Password" link. This action will redirect them to the Request Password Page, where they will need to provide their registered email address. Complete the Captcha verification process and click "Send." A new password will then be sent to your registered email address.
