

**For rank generation, the average marks of four subjects (Maths, Science, English, and Social Science) entered by the student in Samarth portal during registration, have been considered.**

In case of tie, ranks have been determined as follows:

(i) Marks in Mathematics, (ii) if there is a tie in Mathematics, then marks in Science, (iii) if there is still a tie in Mathematics and Science, then marks in English, (iv) if there is still a tie in Mathematics, Science, and English, then the percentage of marks obtained in H.S.L.C or equivalent, (v) if the tie persists in point (iv), then the candidate with the higher age, based on date of birth, has been considered, (vi) if the tie continues in point (v), then the alphabetical order of the first name has been considered, and (vii) if the tie remains in point (vi), the application number of the candidate has been used on a first-come, first-served basis.
